YUM.

## THE HUHOT EXPERIENCE

### HUNT AND GATHER.

Just the fixings you want. Choose from a selection of fresh meat and fish, then pick your choice of noodles or not. No rules – just your creativity!

### SELECT YOUR VEGGIES.

No arguing needed – these greens are fresh, delicious, and essential for all your journeys.

### BRING ON THE SAUCE.

Ladle on your flavors and spices. Answer to your taste – no one else's.

### HAND IT OVER FOR THE SIZZLE.

Watch as your personal ingredients are cooked before your eyes, blended to perfection. Don't let the steam detract from the performance of the blade-wielding chefs.

### TAKE BACK THE BOUNTY.

Behold your piping hot creation. You've hunted and gathered well, my friend. Enjoy!

### PREPARE FOR MORE.

Summon your hunger. The hunting and gathering is unlimited, so mix it up again.
