BlueRidgeLogCabins.com

NO *Assembly* REQUIRED.

The Worlds #1 solid log, modular log home builder, Blue Ridge Log Cabins delivers and assembles quality, custom, complete log homes on your dream site, leaving nothing out and nothing to chance. We cover the construction, materials, and inspections – right down to the fixtures, appliances, and stain – so you're ready to move in sooner, and with no hassles. You rest assured that everything's included and taken care of. The home is guaranteed and so is your price. Log homes from 200–8000 square feet built in 90 days or less. You may just need to run out for milk.
